WHO WE ARE

Alphacrucis College New Zealand is a Bible college that equips people for Christian ministry, leadership, and discipleship.

For more than four decades, ACNZ has helped students grow in faith, develop practical ministry skills, and prepare for lives of purposeful service throughout New Zealand and beyond.

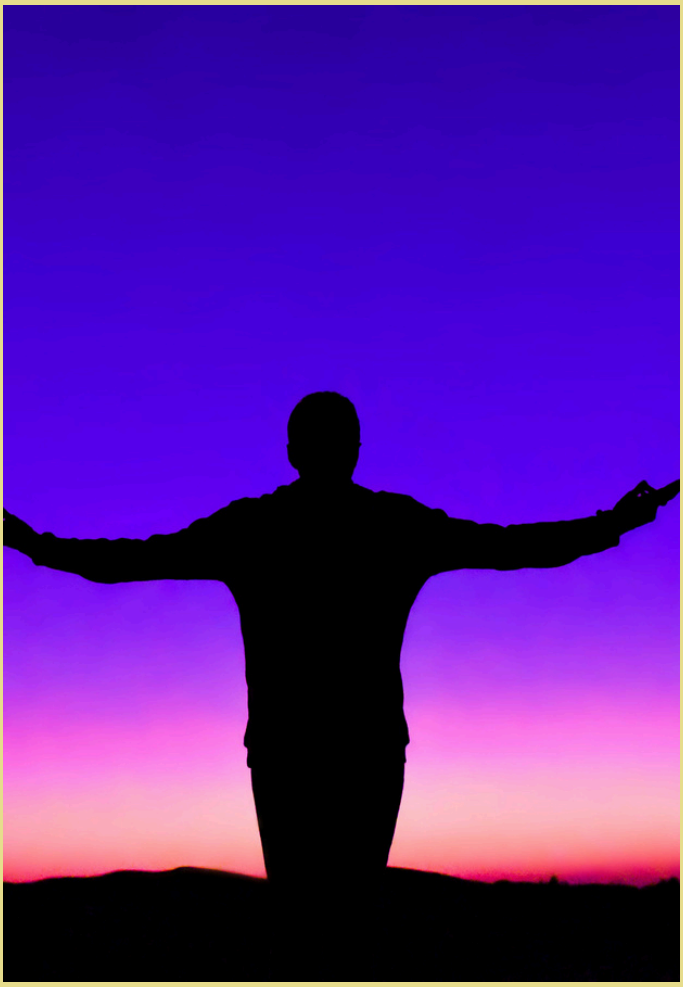

OUR PURPOSE

We believe every follower of Christ is called to make a world of difference.
Whether that calling leads to ministry, chaplaincy, leadership, mission, community service, or faithful service in everyday life, ACNZ exists to help people discover, develop, and flourish in God's calling.

“Every follower of Christ is called to make a world of difference.”

You Don’t Have to Have Everything Figured Out

Most people don't begin with a clear plan.
They begin with questions.
A desire to grow.
A sense that God may be calling them to something more.

You don't need all the answers to take the next step.

Every Calling Starts Somewhere

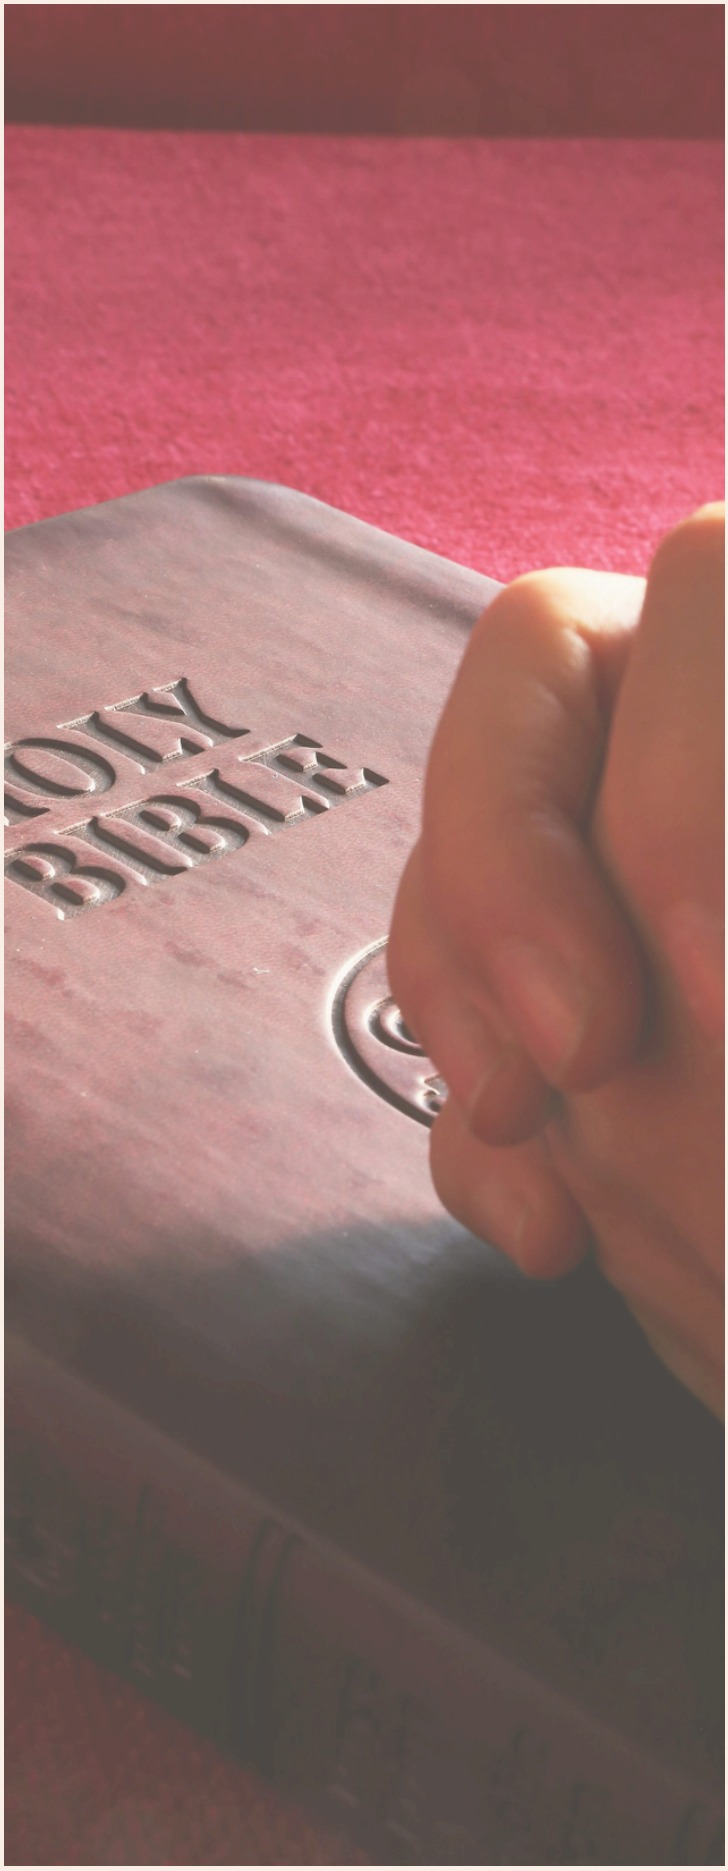

The people making a difference today were once asking the same questions you are.

- Some came straight from school.
- Some were serving in church.
- Some were balancing work, family, and ministry.
- Others simply sensed God inviting them to grow.

The first step wasn't having a perfect plan.

The first step was saying "yes".

What might God do through you?
